

Division of Community Corrections Local Agreement

Posting of Agent Workload Points

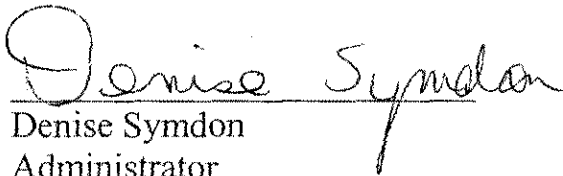

This agreement addresses the day of the week that points are posted and the days that overtime will be eligible to be worked. Upon mutual agreement with the Division of Community Corrections and AFSCME Local 2748, effective December 23, 2010, points will be posted each Thursday and Workload Management Worksheets shall be given to agents on Thursdays of each week by 4:30 p.m. Management is still afforded the opportunity to have five (5) work days to provide relief once a caseload exceeds 215 points as outlined in MOU 6.

Probation & Parole Agents will be eligible to work overtime from Thursday at 4:30 p.m. through the following Thursday at 4:30 p.m.

All prior agreements and workload policies or procedures that refer to working Sunday to Saturday will be changed to Thursday at 4:30 p.m. to the following Thursday at 4:30 p.m. to comply with this agreement.

The parties may by mutual agreement amend or add to this agreement. All addenda to this agreement shall be signed and ratified by the parties and shall be incorporated herein as though originally negotiated by the parties as a provision of this agreement, except that addenda may not take effect until the date they are signed by the parties.

If the Master Agreement is extended until renegotiated, so shall this local agreement be extended until renegotiated.
