

**DIVISION OF COMMUNITY CORRECTIONS
LOCAL AGREEMENT
GPS POINTS**

Effective January 22, 2007, a mutual agreement between AFSCME Local 2748 and DCC created several new CC/SD classifications to reflect the additional workload for agents who have offenders on GPS. The classifications, workload points, and associate time values are:

CLASSIFICATION	TIME FRAME	WORKLOAD POINTS
GPS Level 1	First 3 months on GPS	22.0
GPS Level 2	Second 3 months on GPS	16.5
GPS Level 3	Following the initial 6 months on GPS	11.0

Contact standards for these classifications are INT/SO as outlined in Administrative Directive 00-08.

Upon mutual agreement with AFSCME Local 2748, effective February 12, 2010, and until further notice, flexibility in workload points for offenders on GPS will be available based on the circumstances outlined below.

- For cases involving a change in residence, the agent shall be granted 22.0 points for the first 30 days, 16.5 points for the second 30 days, and 11.0 points following the initial 60 days.
- For offenders supervised at GPS Level 3 and released from temporary custody, the agent shall supervise the offender at GPS Level 2 and receive GPS Level 2 points for a period of 30 days.

The parties may, by mutual agreement, amend or add to this agreement. All addenda to this agreement shall be signed and ratified by the parties and shall be incorporated herein as though originally negotiated by the parties as a provision of this agreement, except that addenda may not take effect until the date they are signed by the parties.

If the Master Agreement is extended until renegotiated so shall this Local Agreement be extended until renegotiated.

 Denise Symdon, Administrator
